Further verbal rules can be added. In case of conflict between the Notice of Race and the Racing Instructions the latter ones will prevail.

## RACING INSTRUCTIONS (RI)

The racing instructions will be provided at the moment of final registration.

## CHANGE OF BOAT AND SAIL NUMBER

The change of boat during the championship is admitted. In case of a change of sail number, immediate communication to the Race Committee must be made. In case of sail number not exposed during a race, or a different number is exposed without prior communication, the participant will be disqualified for that race

## MEASUREMENTS

Boards may be inspected for compliance by the race committee. The material must be from the original Windsurfer or supplied or approved by WS class.

## WEIGHT CATEGORIES

Category A: lightweight (May include juniors)

Category B: medium weight (May include juniors)

Category C: medium heavy weight

Category D: heavy weight

Category F: Women (may include juniors)

If there will be 3 or more junior competitors registered, a Junior Category (J) will be added. In this case Junior will compete for both their weight category (A, B or F) and for Junior category. Junior competitors must be younger than 19 years of age on June 2nd 2017.

## FLEET DIVISION

There will be two separate starts. One for the yellow fleet (A, B, F), one for the blue fleet (C, D)

## FLOATING SYSTEM

Male competitors will be divided into the 4 categories of weight of equal numbers, including juniors and foreign competitors. After the weighting procedure, in case the total number can not be divided by four, the first category with one competitor more will be determined upon a drawing. In case two competitors have the same weight, the younger competitor will be considered the lighter. If a late registrations is admitted the floating system will not change if at least one race has taken place. Before the start of the first race, a second weighting procedure can be called for the athletes closest to the limits of the categories, in order to recheck the correct registered weight. Junior athletes assigned to C or D category may ask the racing committee to be included in the yellow fleet to allow competing for the junior category and the B category. In case they choose not to do so they will be assigned to their category based on the floating system. Potential change from juniors from the categories C or D to B will move other competitors ahead in order to maintain an equal number per category.
